

## **STAAG ANNUAL CONFERENCE- SCIENTIFIC SESSIONS**

### **CALL FOR ABSTRACTS**

The Executives of STAAG invite you to be a significant contributor to this year's Annual General Meeting by the presentation of your research work.

Submit your abstract for consideration and inclusion into the program for the AGM. This is one of the ways by which Audiology and Speech and Language Therapy can advance with evidence-based practice.

Abstracts that are accepted will be printed in the AGM brochure and displayed during the conference – Presenters stand the chance of winning an award.

Format can be oral or poster presentation and should be presented with this format:

Title

Author(s)

Affiliation - (University or workplace)

Abstract

Background

Objective

Methods

Results

Conclusions

Implications (potential impact and application-1-2 sentences)

- All abstracts should have clear and straightforward English language
- The abstract should be concise, not more than 300 words
- Abstract should reflect the content and findings of your research and possibly showing novel aspects (findings or interpretation)
- Abstract may be from published work in reputable journals or those not yet published or accepted for publication.

Abstract should be submitted to Mrs. Jemima Fynn by 7<sup>th</sup> July 2024
